1. ARRIVE EARLY & ****CAR POOL**** - We have more registered riders than any other year! Come early and arrive by 6AM.
2. ALL RIDERS must wear their wrist band to ride on 400 & be lined up at staging @6:45AM.
3. SAFETY = Do not let your front wheel go past the rear wheel of the rider in front of you (Don't Overlap!) Space is Safe!
4. Limited Breakfast will be served by Trader Joes at Registration, we will also have bagels and Thousand Hills Coffee.
5. When riding in a pack (peloton) if you have a problem raise your hand to alert other riders and SAG vehicles. Once clear pull OFF the road.
6. Beware of the Crack! DO NOT ride in or near the crack between lanes on GA 400. Your wheel can get stuck in that crack and cause you to crash.

Weather Plan

- We will only cancel the ride if there is lightning and thunder. We cannot reschedule because the GA 400 permit only allows us a certain day and time. No refunds will be given.
- Rain itself will not stop the ride. If it is raining please use extreme caution.
- If you hear thunder or see lightening please stop and seek shelter immediately if it will not pass call the nearest rest stop and we will pick you up.
- Heat is a big concern please drink plenty of fluids and stop at the rest stops for food and more fluids.

Thank you and if ever there is an emergency call 911.
